80% of businesses reported finding qualified candidates as challenging or very challenging.¹

Flip the Script on How You Find Talent

Secure Top Talent Quickly - Skip posting jobs. Gain access to a pool of millions of up-to-date profiles and move straight to contacting potential candidates that best match your business client needs.

Simplify Recruiting - Save weeks to months searching for the right talent. Proactively review and connect with potential candidates on your business clients shortlist of matches.

Save on Hiring Costs - Save time and money by eliminating inefficiencies and redundancies of traditional recruiting.

Keep Talent Engaged - Outreach tools help proactively contact potential candidates to start the interview process.

Search Dynamic 3D Profiles - Find the right talent for your business clients with dynamic 3D profiles that narrow in on the skills, experience, location, and qualities that matter most.

Take the Next Step. Find qualified talent quickly, easily, and more affordably. Get started today and help your business clients choose the right option for their business go.paychex.com/recruiting-copilot.

Paychex Recruiting Copilot, in partnership with Findem, is an AI-assisted solution that streamlines the hiring process for over 745,000 Paychex customers.
