¹These rates had an effective date of September 30, 2024.

²These rates have an effective date of February 21, 2025.

³MN eliminated the separate minimum wage based on employer size.

Several states allow exemption from state minimum wage and /or overtime requirements where an employee meets a minimum weekly salary or hourly rate threshold and meets the applicable duties test. The following is a list of upcoming changes to these state exemptions:

- Alaska, California, Colorado, Maine, New York, and Washington are increasing the state weekly minimum salary threshold for certain state exemptions on January 1, 2025.

We are happy to assist you in making changes to your employees' pay rates if required. Please review your payroll to determine if your business and employees are affected by these changes and notify us of any necessary adjustments. Failure to comply with minimum wage laws may result in substantial penalties.

Important: As always, it is the employer's obligation to ensure compliance with federal, state, and local wage requirements. Paychex will not make any changes to your payroll, including changes to employee wage rates, without your express instructions to do so.
